

# KICHLER.

# Art adorns your walls: why not your ceiling?

Your ceiling is a blank canvas. A Kichler® ceiling fan helps you bring it to life. With so many options for size, style, finish, lighting effect and more, you'll discover that your Kichler ceiling fan makes any space both more beautiful – and more comfortable.

From open areas to cozy bedrooms, from grand living rooms to outdoor patios, there's a Kichler fan designed for you.

Things are looking up

# The latest looks. Our finest finishes.

The **Décor Collection** from Kichler® helps you add trend-inspired style to your home while filling your space with premium airflow and the latest in lighting technology.

Each fan blends our most advanced engineering with a decorator's approach to design: emerging styles, new-to-market finishes and integrated LED lighting.

Hours: 9am to 5pm EST Days: Monday - Friday

## **Questions** and Answers

- 1. Can the light be replaced?
- 2. What fan should I use in a screened in porch? Damp or Wet? What is the difference? Is CLIMATES™ Damp or Wet?
- 3. How does the "Light Source Efficiency Rating" affect these new ceiling fans?
- 4. How have CFM ratings changed?
- 5. How does the new tariff impact the fan category?

Questions: **Michael T. Hadank**, National Sales Manager, Lighting Showroom Channel Answers: **Scott Williams**, Product Manager, Ceiling Fans
